# DEDICATION

"Friendly, concerned, helpful," are the words used by a senior to describe Miss Eleen Garnett to whom the 1973 REVELLE is dedicated. Miss Garnett, who has been a guidance counselor for the Class of '73 during its years at RL Thomas, came to Webster after serving as principal and math teacher at Red Creek Central School. Miss Garnett now lives on Dunning Avenue, where she is always available to listen to and advise present and former students. Getting a student placed in the college most suited to his needs is the goal of this dedicated guidance counselor. On school days she attempts to resolve students' many problems. During her vacations she combines her hobby of travel with her concern for her students as she visits college campuses for a personal knowledge of the intellectual and social atmosphere of the schools she recommends. The Class of 1973 appreciates the time, energy, and enthusiasm she has devoted.

Well in the end I'll know, but on the way I wander  
through descending snow and through the frost and thunder  
I listen to the wind come howl  
telling me I have to hurry.  
I listen to the robin's song saying not to worry.  
So on and on I go; the seconds tick the time out.  
There's so much left to know  
and I'm on the road to find out.

In Memoriam  
Terry McRae

Then a Teacher said:  
No man can reveal to you aught but that  
which already lies half asleep in the dawning  
of your knowledge.  
If he is indeed wise, he does not bid you enter  
the house of his wisdom  
but rather leads you to the threshold  
of your own mind.

If I make a mark in time,  
I can't say that mark is mine.  
I'm only the underline of the word.  
Yes, I'm like him just like you.  
I can't tell you what to do.  
Like everybody else, I'm searching  
through what I've heard.

Look out on the hedgerow  
As the world rushes by  
    hear the birds sing a sigh  
One more tree will fall how strong the growing vine  
Turn the earth to sand and still commit no crime  
How one thought will live provide the others die  
For I have riches more than these  
For I have riches more than these

Charlene Kara, Secretary

Dave Smith, Treasurer

Frank Stey

Molly Murphy, Vice-Pres

Miss Wilder, Senior Class Advisor

Mrs. Emerson, Magazine Drive Advisor

Mr. Adams, Senior House Chairman

The furnished Senior Center, the Coffee Cart, the Roller skating party, and Fall Weekend are just some of the many activities and plans this year's Senior Council has developed. In addition to the traditional plans for Graduation, Senior Banquet, and Senior Ball, the spirited Senior Class launched a successful magazine sale.

Much of the success the senior class has experienced is due to the untiring efforts of Frank Stoy, Molly Murphy, Charlene Kara, Dave Smith and Mr. Adams. With Miss Wilder and Mrs. Emerson, these people have spent long hours and contributed original ideas enabling the "Class of 73" to be long remembered at R. L. Thomas

## **A FIRST BY VARDEN**

### **Student Yearbook Photographers Workshop**

### **"a Fantastic Success"**

In August of 1972, Varden Studios sponsored a workshop for student yearbook photographers which was held on the St. John Fisher College campus in Rochester, New York.

One hundred and forty students and yearbook advisors took over 12,000 photographs during a 3 day period. All photos were processed and critiqued during the workshop. In addition to this, everyone enrolled attended 4 theory lectures, 5 one hour talks by top men in their fields, 2 slide shows by Kodak, a tour of the Rochester Institute of Technology photo department and also found time for a cookout and several social hours which included an all night rap session.

Everyone was asked to fill out sheets to evaluate the workshop. Some of the comments were: quote "I hope I flunked so I can return next year" by Laurie Chapman, Amsterdam High School, Albany, New York. "Varden should conduct workshops, again, again, again and again" by Terry Tiraborelli, Fairport High School, Rochester, New York. "I thought the whole workshop was fantastic" by Kathy Beerhalter, John F. Kennedy High School, Utica, New York. "I believe that this workshop, the knowledge and commitment that is

Photographs . . . The Heart of Your Yearbook

involved, has broadened our minds not only as photographers, but also as adult human beings, who can work together to obtain a more advanced form of communication" by Craig Gross, Corning-Painted Post East High School, Corning, New York.

Workshop '73 has already been planned. For information, call or write Mr. Carl Tandoi, Varden Studios, Inc., Rochester, New York 14607. Phone 546-2360. We hope to see you there.
